

**Van Lanschot Bankiers (Curaçao) N.V.
Choose Alchemy Global Internet Banking Solution from IBIS Management.**

Willemstad- - June 26, The renowned private bank Van Lanschot Bankiers (Curaçao) N.V. has chosen The Alchemy Global Internet Banking solution from IBIS Management to provide highly secure and extensive portfolio reporting to its clients.

The Alchemy Global Internet Banking Service is specifically designed for the high performance needs of private and trust banking. With Alchemy, clients will be able to view and manage their multiple currency accounts plus their investment portfolio including equity, bonds and funds. The online banking environment may be dynamically customized by the client to instantly display a variety of online reports.

“We are delighted that Van Lanschot Bankiers (Curaçao) N.V. which is synonymous with a proud history of quality and excellence in international private banking has selected our Alchemy Global Internet Banking Solution.” said Mr. Clark Russel, CEO of IBIS Management.

Van Lanschot a Prestigious History in Private Banking

Van Lanschot (Curacao) NV is the holding company of F. van Lanschot Bankiers NV, the oldest independent bank in the Netherlands, with a history dating back to 1737. Total assets worldwide came to € 21.7 billion.

Van Lanschot Bankiers stands for high-quality services founded on integrated advice, personal service and customized solutions. Van Lanschot has seen substantial inflow of clients and funds entrusted in the first quarter of 2008 and therefore continues to benefit from the consolidation battle currently taking place in the Dutch financial sector.

In the market for high net worth individuals, the bank is increasingly focusing on asset management and advice for the higher segments. Clients with assets of more than € 1 million available for investment are served by specialist teams delivering tailor-made solutions.

Van Lanschot NV is listed on the Euronext Amsterdam Stock Market.
